

**TERI “Natsumatsuri”
Suzuki Method Summer Festival at Home 2020**

Due to the spread of COVID-19, TERI had no choice but to cancel the 69th Summer School. This is disappointing for everyone. Therefore, TERI decided to offer an opportunity to share a fun time with Suzuki families from all over the world by planning an online “Natsumatsuri” (Summer Festival) which will be held on the first weekend in August. "Natsumatsuri" will take place over two days, August 1st (Sat.) and 2nd (Sun.), with a variety of programs planned.

This event will be streamed to the world from the TERI hall in Matsumoto, the birthplace of the Suzuki Method. In consideration of the risk of COVID-19 infections, the number of people gathering in Matsumoto will be kept to a minimum.

On the first day, a special video of Dr. Shinichi Suzuki and a lecture by the TERI President, Dr. Hayano, will be broadcasted.

On the second day, we will have fun group lessons for each instrument with TERI Special Instructors followed by a live stream of their performances.

We invite you to join us via YouTube Live.
